A glowing lamp post at night, with bare tree branches in the foreground. The lamp is a simple, rounded globe that emits a warm, yellow light. The branches are thin and dark, creating a delicate, web-like pattern against the dark background. The overall mood is quiet and contemplative.

*Rishika Jain's Inspiration*

A lamp does not speak, It introduces it self.....  
through its light, Achievers never expose.....  
themselves. But their achievements expose.....  
them.

The background is a vintage postcard with a light beige, textured surface. Faint, embossed musical notes and a treble clef are visible across the card. In the bottom left corner, there is a cluster of four bright yellow sunflowers with dark brown centers. The word 'POSTCARD' is faintly visible in the upper right area.
